

## Meeting logbook Entry Sheet

BSc. Project Logbook

Student Name: Prabesh Sundar Takari

LMU ID: 23047464

Meeting No: 01

Start Time: 1:00 PM

Date: 2025/09/18

End Time: 3:00 PM

Items Discussed: Initial Discussion about the Final Year Project.

- > Importance of researching before finalizing a topic.
- > Overview of FYP, introduction, evaluation criteria and expected outcomes.

Achievements: Understood the expectations and scope of FYP.

- > Gained clarity on the FYP Process, evaluation and submission components.
- > Identified the need to explore different project ideas before final selection.

Problems: No specific project topic was selected during the meeting.

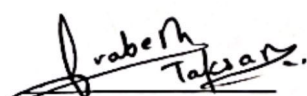

- > Lack of clarity on specific problem statement to focus on.
- > Required more research to choose impactful topic.

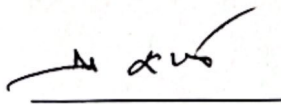

Tasks for the Next Meeting: Conduct Research on different FYP topics.

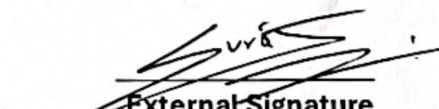

- > Shortlist possible areas of interest and identify potential problems statements.
- > Decide the final project topic based on research findings.

## Meeting logbook Entry Sheet

BSc. Project Logbook

Student Name: Prabesh Sundar Taksari

LMU ID: 23047464

Meeting No: 02

Start Time: 11:00 AM

Date: 2025/11/07

End Time: 01:00 PM

Items Discussed: > Devised discussions from the first FYP meeting.  
> Discussed about the selected topic which is  
Automated Web-Based Security Dashboard.

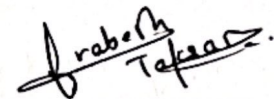

Achievements: > Clarified the project direction and received  
feedback on improving the system.  
> Identified that integrating AI/ML features into the  
project workflow will improve the system.

Problems: > Project is not yet approved  
> Unsure about the bestway to include AI/ML in  
the project.

Tasks for the Next Meeting: > Find ways to add AI/ML into the  
project workflow.  
> Update the project plan with the AI/ML features.

## Meeting logbook Entry Sheet

BSc. Project Logbook

Student Name: Prabesh Sundar Taksari

LMU ID: 23047464

Meeting No: 03

Start Time: 11:00 AM

Date: 2025/11/14

End Time: 01:00 PM

Items Discussed: > Reviewed the entire project again, including the updates  
> Discussed about which cyberattacks and tools I will focus on for project.

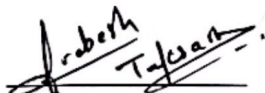

Achievements: > Clearly understood the need to select which types of attacks that project will focus on.  
> Received direction on what to prepare for the next stage.

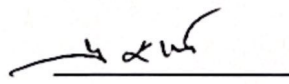

Problems: > Project remains not approved yet.  
> Need to decide on the exact attacks and tools, which is delaying the progress.

Tasks for the Next Meeting: > Choose the attack types for the project  
> Select the tools that will be used in the project

## Meeting logbook Entry Sheet

BSc. Project Logbook

Student Name: Prabesh Sundar Taksari LMU ID: 23047464  
Meeting No: 04 Start Time: 11:00 AM  
Date: 2025/11/21 End Time: 01:00 P.M

Items Discussed: Supervisor explained a sample FYP Proposal and how it should be written.  
Reviewed and discussed the workflow of my project (Intelligent Recon System)

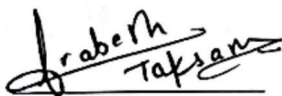

Achievements: Understood how to write a proper FYP proposal.  
Learned what sections and diagrams are required in the proposal

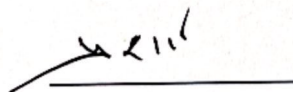

Problems: Need to decide which technical diagrams to include  
Need to structure the methodology and proposal clearly

Tasks for the Next Meeting: Make any 3 technical diagrams.  
Select and define the methodology for the project.  
Create a Work Breakdown Structure.  
Start writing the proposal: Introduction, Aim and Objectives.

BSc. Project Logbook

Student Name: Prabesh Sundar Taksari

LMUID: 23047464

Meeting No: 13

Start Time: 11:00 AM

Date: 2026/2/18

End Time: 01:00 PM

Items Discussed: • The supervisor reviewed the progress of the Final Year Project Intelligent Recon System development.  
• Discussion about the current implementation of the system features.

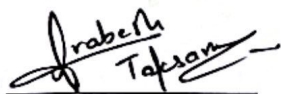

Achievements: • Most of the project development have been completed.  
• The system structure and major functionalities have been ~~completed~~ implemented.

Problems: • Issue in the Live Status Tracker section of the system.  
• Need to correct format of the output section.

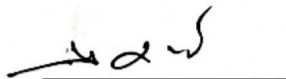

Tasks for the Next Meeting: Fix the issue in the Live Status tracker section.  
• Correct and improve the output formatting.  
• Prepare and present the project progress in the next meeting.

BSc. Project Logbook

Student Name: Prabesh Sundar Takcari

LMU ID: 23047464

Meeting No: 14

Start Time: 11:00 AM

Date: 2026/02/26

End Time: 01:00 PM

Items Discussed: Presented the Final Year Project IRS System

- Explained the overall concept, features, and current development progress.
- Supervisor reviewed the project structure and provided feedback.

Achievements: Successfully presented the project ~~idea~~ and current implementation.

- Clarified key areas that need enhancements.
- Received constructive feedback from the supervisor for further improvement.

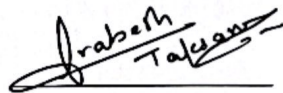

Problems: Output section formatting needs improvements.

Tasks for the Next Meeting: Expand and clearly define the project scope.

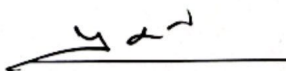

- Improve and properly format the output section.
- Implement suggested changes and prepare for the next presentation.
